

The Lefferts Historic House in Prospect Park is pleased to announce our 20th Annual Quilt Show:

Turning Twenty!

This year's call for quilts celebrates a proud history of quilts here at Lefferts House. Specifically, 20 years of history! Though "turning twenty" can refer to a specific style of quilting, we encourage you all to interpret the phrase broadly. Quilts can refer to a personal or historical 20th birthday or anniversary, or even look back twenty years to 1991. The theme can be interpreted technically, traditionally, literally... even philosophically.

We would also like to invite quilters to submit quilts that have been displayed at Lefferts in the past. With these, preference will be given to older quilts. As usual, all quilts will be judged on technique, creativity, concept, and composition. Below is the list of past shows. Whether your quilts refer to it or not, we hope you enjoy reflecting with us!

1992- The Art of Keeping Warm: Quilts & Quilting in Brooklyn

1993- Second Annual

1994- Third Annual

1995- Children's Quilts
