Make an appliqué wool bracelet that is also a wallet — a *Wristlet* — from felted and recycled wool. Kits for a basic Wristlet will be provided for the first 20 members who sign up*. These kits will include pre-cut wool, embroidery thread, two buttons, and instructions. Wool scraps will be provided separately for appliqué. This workshop will include stitching and appliqué to the outer layer. Directions for completing the project will be explained and demonstrated for completion at home.
