

## 2017 Show Categories & Awards

Dear Members:

Attached you will find information about the categories, requirements, and awards for our upcoming show. In selecting the categories and assigning the requirements, we kept in mind several goals: 1) to accommodate as many entrants as possible; 2) to provide categories that allow for comparable and fair judging, and 3) to recognize outstanding submissions. Should you have questions about in which category you should place your quilt, you will be given ample time to ask. If there are too few entries within a particular category or subcategory, the submissions and judging committee reserves the right to reassign the category for consolidation. There will be an e-mailbox for submissions in the fall. For now, you can direct any questions to [eggshow@gmail.com](mailto:eggshow@gmail.com).

A good deal of consideration and effort was put into producing this. We hope you will review it long before we meet in September, and we look forward to seeing your entries!
