

Instructions for a 10 1/2" finished PINWHEEL BLOCK

Empire Quilters BOM for October 2017

Cut 2 6 1/8" squares in White

Cut 2 6 1/8" squares in Red

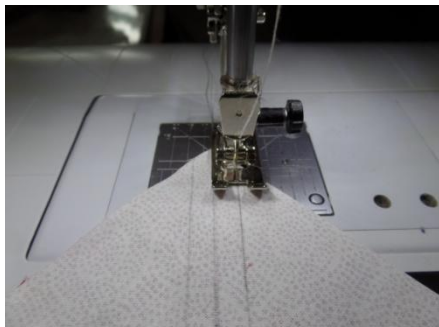

Place one of each colored squares right sides together and draw a line from one corner to the opposite corner. Repeat for the second set of squares.

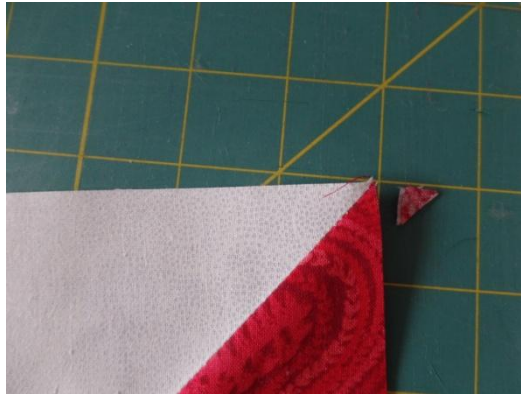

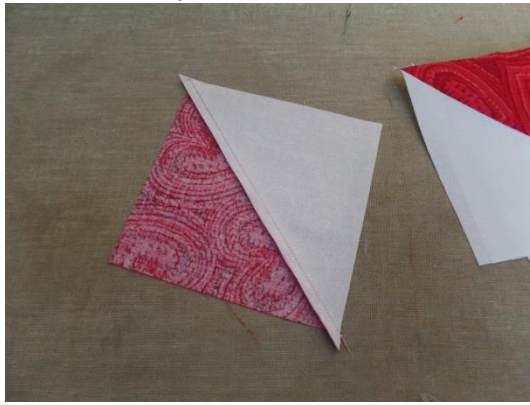

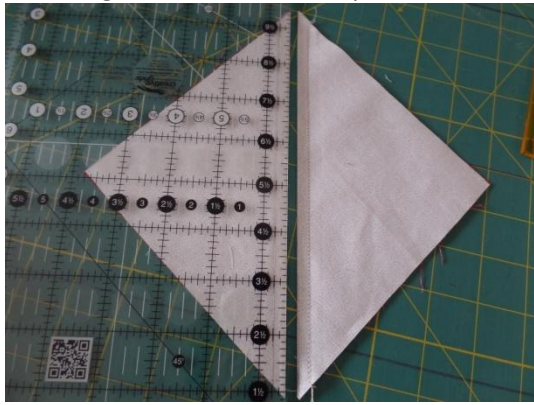

You can either draw a 1/4" line on either side of the center line or use a 1/4" foot to guide you.

Sew 1/4" from the center line on each side of the line.

Cut along the center line and press to the dark side of the square.

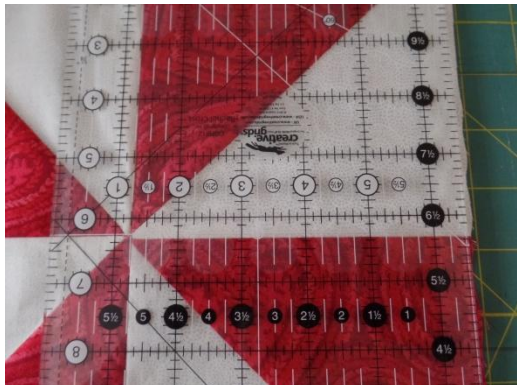

Trim the ends that are sticking out.

Sew together 2 sets of squares & repeat for the other 2. Iron the seams open, sew both sets together

Trim to 10 1/2".

Why not make 2 one for the BOM and 1 for yourself? This year we're going to feature 10 1/2 squares where possible.
