

Each 10" Block is made from 4 of each A and B triangle foundations. **All fabrics are provided except 7 of the 8 pinwheels (A1 & B4).** Foundations are printed as a mirror image. Place fabric on "wrong side" and sew on number side with a short stitch length. Sew in number order so that intersecting seams are pressed in opposite directions. Trim to include 1/4" seam allowances on each triangle section. Sew all 8 sections together. **Do not remove foundation fabric.** See www.connectingthreads.com for a paper piecing video tutorial video.
